Fayette Main Street Inc. in Fayette, MO has been selected in a competitive application process to participate in a cost-sharing Affiliate Grant that provides training, mentoring, and technical services to revitalization programs in Missouri's historic commercial districts. The grant is provided by Missouri Main Street Connection, Inc. (MMSC)

MMSC staff will visit with the Fayette Main Street board of directors and other community leaders to evaluate existing and future needs of the downtown, and then schedule a series of customized training sessions that will equip them to concentrate on their local revitalization goals. **The goal of the grant** is the development a sustainable, volunteer-based organization that will carry out an economic development program based on the preservation of historic assets in the downtown, using the Main Street 4-Point Approach® to Revitalization.

With support from MMSC, the Downtown Fayette organization anticipates:

- Developing a perpetual revitalization organization that will facilitate business growth, job development and preserve the unique culture and heritage of downtown Fayette.

The grant period is for two years. The community is also designated now as an Affiliate in the Missouri Main Street Tier Structure, which ranks revitalization progress on standards established by the *National Trust for Historic Preservation's Main Street Center*.
