# Community Empowerment Grant Workshop

Missouri Main Street Connection

West Plains

## How to Create a Sustainable, Locally-led Main Street

Missouri community members and stakeholders interested in revitalizing their historic commercial district should attend one of the Community Empowerment Grant Workshops in 2025. Through the workshop, stakeholders will learn about the time-tested Main Street principles for downtown revitalization and the 70/30 Matching Service Grant offered by Missouri Main Street Connection. This grant provides services that assist in the establishment of a locally-led 501c3 nonprofit Main Street organization to lead volunteers in implementing downtown revitalization through the Four Points of the Main Street Approach™ in their historic commercial district.

### Lunch and Learn - \$15 (Optional)

Stay for the additional Lunch and Learn following the workshop from 12:00 to 1:00pm. During this lunch an experienced Main Street representative will share success stories from their time as a Main Street Director. The \$15 fee covers the lunch provided during the Lunch and Learn opportunity.
